

Terms of service document for "bpost Address Search and Validation for Zoho CRM" Extension

Last updated: 11/07/2023

This terms of service document sets out the terms of use for the "bpost Address Search and Validation for Zoho CRM" Extension ("the Extension") provided by SalesBridge ("we", "us" or "our"). By using the Extension, you agree to these terms and conditions. If you do not agree to these terms, you should not use the Extension.

Purpose of the Extension

The "bpost Address Search and Validation for Zoho CRM" Extension provides the ability to search and validate Belgian addresses at account and contact level within Zoho CRM using Bpost's official database.

Requirements for use

To use the Extension, you must have a Zoho CRM account with the necessary permissions to perform the configuration. Usually, this requires an account with the rank of Admin.

Cost

Using the Extension is free of charge. There are no hidden costs or subscriptions involved.

Terms of use

Use of the Extension should take place in a manner consistent with standard benign use. It is not permitted to use the Extension for illegal, harmful or unauthorised activities.

Liability

We are not liable for any incorrect addresses displayed when using the Extension. The responsibility for the accuracy and completeness of the data entered lies with the user.

Deactivation of the Extension

The Extension can be deactivated at any time without any problem. You can choose to stop using the Extension.

Data collection

No personal data is collected while using the Extension. However, when applying for the Extension, the applicant has the option to share his/her data with us. If the applicant chooses to share his/her data, we will receive the information provided, such as name, first name, email address and other account details. If the applicant chooses not to share his/her data, we will only receive a notification that someone has installed the Extension, with no personally identifiable information.

Changes to Terms of Service

This Terms of Service document may be updated. As we do not keep contact details of the installer in some situations, users are expected to keep themselves informed of the current Extension terms of service.

Applicable law and dispute resolution

This Terms of Service document shall be governed by and construed in accordance with Belgian law. In case of disputes arising out of or in connection with the Extension, the parties will try to resolve them by mutual agreement. If this is not possible, disputes will be submitted to the competent Belgian courts.
